

# Neighborhood Watch

**TUTTLE ESTATES** is now developing a **NEIGHBORHOOD WATCH** Program in conjunction with The Plainfield Police Department.

**TUTTLE ESTATES** Residents,

The crime problem in our nation is both costly and demoralizing. Directly or indirectly, we are all affected by crime that has caused injury, financial loss and intimidation. Particularly with the recent car break-ins in our Subdivision, these situations demonstrate vividly the need for community involvement and assistance in crime prevention, reporting and efforts in the **NEIGHBORHOOD WATCH** Program. This community-based crime prevention program is a simple and direct approach toward protecting our community from criminal attacks.

Casual Walkers, Joggers, Children-At-Play, Homemakers, and Retirees.....Everyone can contribute in even the smallest ways!

Please contact me either via email or phone - so we can start getting a group of residents together to get this program rolling.

Our first **NEIGHBORHOOD WATCH** meeting is scheduled to take place on June 16th, from 7pm to 9pm, at the Plainfield Public Library in conjunction with the State of the State meeting.

Thank you,

**Jessica Wilkerson**
