

TUTTLE ESTATES COMMUNITY ASSOCIATION
BOARD OF DIRECTORS
APPLICATION / CANDIDATE FORM

Due to a vacancy, under our Declarations and By-Laws, a vacant Director position must be filled by the Board. As such, the Board is taking applications from any persons interested. If you have any expertise or feel you can offer assistance to the Board, we would greatly appreciate your application. Please send applications to us via e-mail at tuttlestateshomeowners@hotmail.com. You can also mail this Application to "Tuttle Estates Community Association", at P.O. Box 1588, Plainfield, IL 60544 or fax to 630-759-6510. If faxing, please fax this document to the attention of "Jason Marker". Please note that the information provided on this form may be distributed to the general membership of the association. Thank you for your interest.

NAME: Jeffrey D. DeRango

ADDRESS: 12839 Summerhouse Drive Plainfield, IL 60585

ASSOCIATION BACKGROUND: Although I follow each News letter and our community website, I have not served within the association.

PERSONAL/BUSINESS BRACKGROUND: Purchased what I jokingly called a "large puddle" on lot 49 and moved into my 1st personally owned house within the Tuttle Estates Community October 1st 2004 at the age of 23. I am a fiscally responsible hardworking citizen with a well rounded background in Computer Science and Civil Engineering. I have been a Land Surveyor for nearly 10 years, an outdoor enthusiast whom loves working in my yard, and someone who is always looking to better myself though education and training. I worked my way through College of Du Page where I acquired a Science Degree in Digital Micro processing Technology, and continued my education while working fulltime at off campus courses held with Southern Illinois University to finish my training as a Surveyor.

STATE YOUR POSITION ON THE ISSUES MOST IMPORTANT TO OUR COMMUNITY: Community safety is a paramount issue, maintaining a low cost to our residences through association fees, along with communication and engaging our fellow residence regarding pressing issues that affect our community. In addition I would like to help our beautiful neighborhood solve some of the issues regarding foreclosure due to a poor economy, communication and dialog using modern money saving techniques, and safety for our future generations of beloved children within our community.
